To Whom it May Concern:

It is my pleasure to offer recommendation for FA Peinado Construction as the General Contractor for your project.

FA Peinado Construction consists of a great team who are all easy to work with. While working with them on First Bank in Frisco, Texas, FA Peinado made sure to be responsive to any issues. As a result of this firsthand experience working with them as a General Contractor, I can assure you that FA Peinado Construction produces quality work.

It is with great confidence that I conclude by stating that FA Peinado Construction would be a positive asset on your project. If you have any questions, please feel free to call me at (214)871-9388 ext. 116, or send me an email at patrick@rogers-ford.com.
